

## **Examples of motions to adopt – support for facilitating discussions within your democratic structures.**

### **Motion to adopt – for your AGM**

- Whereas the demands of the campaign “*Commit to the Community Sector/ Engagez-vous pour le communautaire*” regarding funding and recognition of community groups are vital;
- Whereas having a strong representation of Montréal community groups at the September 27th action is an important goal;

There is a motion to adopt the following:

1. (*Name of your organization*) supports the following demands of the “*Commit to the Community Sector*” campaign and asks the government to:

- Improve funding of community groups
- Reinvest in public and social services
- Recognize the importance of community groups to our society

2. (*Name of your organization*) shall participate in the unifying action of the campaign in Québec City on September 27<sup>th</sup> 2017.

### **Motion to adopt – for your Board of Directors**

- Whereas the demands of the campaign “*Commit to the Community Sector/ Engagez-vous pour le communautaire*” regarding funding and recognition of community groups are vital;
- Whereas the costs needed to organize transportation for the province-wide demo\* are significant;
- Whereas having a strong representation of Montréal community groups at the September 27th action is an important goal;

There is a motion to adopt the following:

(*Name of your organization*) commits to contributing (*name the amount*) to the mobilization fund for the September 27<sup>th</sup> action of the “*Commit to the Community Sector*” campaign in Québec City.

**\*Some practical information:** a “voyageur” bus costs about \$1300.00, which comes to about \$25/person. For September 27th, we aim to mobilize around 10 buses and over 500 people. We therefore need to raise \$13 000.00.
